# Behaviour Management

Designed by schools, for schools – Everything is possible with **Frog**

Promote good behavioural practice in your school with the Behaviour Management System available in **FrogLearn**. Easily customise the forms provided to align processes and procedures perfectly with school policy.

Support Teacher Interventions | Manage Inclusion Units | Report and Record Behaviours

[frogeducation.com/academy](http://frogeducation.com/academy)

Implement effective behaviour management processes using the form features in **FrogLearn**. Support a consistent and fair approach to student behaviour. Easily record and manage interventions, creating secure digital student records that can be overseen by senior leaders and used in discussions with teachers, students and parents.

### Whole School Approach

The Behaviour Management System is available to all FrogLearn customers for delivery of a school-wide approach to behaviour that is clear and consistent for everyone.

### Effective Inclusion Unit Management

Using the Behaviour Management System, teachers can set work for students within the inclusion unit ensuring student learning can continue throughout their time out of class.

### Informed discussions with parents

Maintaining secure digital records on the Behaviour Management System enables teachers to recall individual student behaviour profiles and supports discussions with parents providing evidence of interventions.

### Comprehensive Behaviour Reporting

Through the Behaviour Management System, senior leaders have total visibility of school-wide behaviour reports, as well as access to individual student records. Administrators can export information for in-depth analysis.

## TOTAL VISIBILITY FOR SENIOR LEADERS

### Behaviour Reports

Senior leaders can easily access individual behaviour reports when dealing with escalations from teachers or parents.

### Whole School Analysis

Total access to whole school behaviour reports which can be exported for further analysis.

## CLEAR PROCESSES FOR TEACHERS

### Student Booking System

Simple booking system enables teachers to quickly register students for detentions and inclusion units.

### Incident Logging

Customisable forms provide necessary details of incidents as they arise.

### Access to Student Records

Secure single sign-on for Frog gives teachers a class-wide view of student behaviour management records.

The Behaviour Management System uses Frog digital forms to provide your school with a clear and measurable way to manage behaviour across the school. Form templates are easily customisable using the form edit tools available in **FrogLearn**.

### Log an incident
