

frog

Transforming education through technology

Frog exists to affect change in education, to challenge the status quo and build technology that does things not just differently, but better.

We are helping to re-shape school processes, not just creating efficiencies, but improving outcomes for children. Reduced budgets coupled with higher expectations means all schools need to reshape themselves to succeed. Frog can help.

frog

the operating system for education

We take education seriously. For 18 years we have been helping schools to deliver outstanding education through awesome technology.

We provide a powerful and fully integrated suite of applications which support the delivery of outstanding teaching and learning.

Life After Levels

Levels created conversations about numbers. Frog creates conversations about children. The difference in outcomes is huge.

Other systems force schools to re-create levels causing an excessive workload for teachers. With Frog there is another way.

Curriculum Designer

Design your curriculum to match the needs of children

Resources & Exemplars

A bank of exemplar standards to show what 'good' looks like and share resources to continually improve teaching and learning

Capture Evidence

Easily capture evidence using mobile apps and only make judgements against key learning objectives to save time

Reporting

Quickly identify gaps in knowledge so you can tailor learning to meet children's needs

Frog's Curriculum Designer app is available for free from
www.lifeafterlevels.com/designer

“We have never known
our students better.”

NICK HOUSE, HEAD TEACHER, GREENSHAW HIGH SCHOOL

life after levels

Life After Levels is a collaboration founded by Frog Education and the National Association of Head Teachers (NAHT) to help schools take advantage of the removal of national attainment levels.

Founded by  and 

Getting the best out of home learning

The demands of the new curriculum are far greater and there's a lot to teach. Using the time at home can make a massive difference.

Resource Builder

Get more teaching time in class by sharing resources and building lessons online for students to complete at home

Set Homework

Quickly and easily assign homework to all students or individuals at a click of a button to match homework to students' learning needs

Quizzes

Save time with 250,000 self-marking curriculum-mapped questions

Marking & Feedback

Provide rich, formative feedback on children's work to help them improve

"Frog has enabled us to flip the learning and place ownership with the students."

SEAN QUINN, RUGBY HIGH SCHOOL

Reach expectations no matter the starting point

Whether you have students with low prior attainment or just high expectations in your school, strong gap analysis and intervention improves outcomes.

Quizzes

250,000 curriculum-mapped quiz questions with gamification to keep children engaged in their learning

Video Lessons

Children can watch and re-watch video tutorials to help them understand key concepts

Gap Analyser

Instantly know where children are struggling so you can tailor learning to meet their needs

Progression Charts

Show progress for individuals or groups of students for SLT, parents, governors or Ofsted

"A class was at least a third of the year behind their peers. We used Frog extensively with them and they ended the school year at the same level as their peers."

ERIC MOSELEY, TALBOT COUNTY PUBLIC SCHOOL, MARYLAND, USA

PARENTAL ENGAGEMENT

Real parental engagement - not just graphs and reports

Students who are supported in their learning at home are more engaged and perform better in school.

Frog provides parents with a real window into their child's learning.

Resource Builder

Share resources with parents including videos so they can support their child's learning at home

Calendar

Let parents see what homework has been set and when it's due providing 100% visibility

Timelines

Parents can see and comment on their child's work providing a real audience and increasing pride in their schoolwork

Communications

No more printed letters - keep parents up to date and interact via portals and message boards

"Since we started using Frog to help parents understand phonics our Year 1 results have improved each year."

RACHAEL COULTHART, ST NICHOLAS C OF E PRIMARY SCHOOL AND NURSERY

With you every step of the way

WWW.FROGEDUCATION.COM/TRAINING
