Finance Portal

Designed by schools, for schools – Everything is possible with Frog

Departmental solution for key finance interactions in schools and MATs.

Purchase Order tracking for budget holders | Knowledgebase facility for finance FAQs

frogeducation.com/academy

Create an accessible area for finance information and Purchase Order (PO) submissions with customisable Finance Portal ready-to-use in **FrogLearn**.

Use with the MAT Intranet solution

Sharing information across a school or multi academy trust is easy with the MAT Intranet solution. The Finance Portal integrates perfectly, ensuring key information is available in one place, as a single source of the truth.

SHARE FINANCIAL INFORMATION AND POLICIES

Upload and share finance policy documents, ensuring accessibility and transparency. Enable users to easily find answers to questions using the expandable knowledgebase facility.

MANAGE AND TRACK PURCHASE ORDER PROCESSING

Easily track spending by individuals and departments with instant visibility of all PO's submitted. Export spreadsheets for offline analysis.

ADD QUICK LINKS TO FREQUENTLY USED RESOURCES

Use Frog Widgets to provide convenient quick links to partner websites, like Sage and regularly used documents such as Petty Cash and Mileage claims.
